2. South America

The next continent you are going to learn about is South America. Use these maps to answer the questions on the next page.

Map Practice:

1. The Atlantic Ocean is east of South America. The Pacific Ocean is west. Label these oceans on the map.

2. Brazil is the largest country in South America. Find it on the map. How many countries touch Brazil?

3. Find these cities. Write which country they are in:

Rio de Janeiro _____

Caracas _____

Asuncion _____

Buenos Aires _____

Santiago _____

Georgetown _____

4. Chile is a country on the western edge of South America. Circle it in red.

5. Look at the rivers on the map. Which is the longest river in South America?
